Kevin –

I have reviewed the attached letter and documents, and Barrette still has not satisfied its obligations to provide damages discovery required in its initial disclosures, its answer to Interrogatory No. 11, or Request Nos. 2, 3, 7, and 10.

Please let me know when you are available tomorrow or Friday to discuss. Please be aware that if we do not have complete discovery responses on this issue in advance of the depositions next week, we will plan to hold those depositions open.

Respectfully,
